

Easter Bonnet/Hat Parade Feedback

Wednesday 27th March, 2024

**Cambridge
Park Academy**

Character - Preparation - Achievement

How did you find the event?

- Perfect
- Absolutely fine
- Really good
- It was fine, not too long or short.
- Excellent
- I thought it was right time for the students and for the parents.
- Just right the kids all seemed happy
- Good length
- It was fun amazing and the staff was amazing and the kids was
- Fantastic
- Didn't come because wasn't informed
- Good the kids where amazing
- It was very good especially for the children who can't sit for a length of time
- Yes, very good. It was good that the teachers took back the children who felt overwhelmed by the whole event.
- It was perfect for kids. It was lovely seeing the kids happy

Can you suggest any improvements for next year?

- Music was a bit too loud but otherwise excellent.
- Just let parents and carers know about the bakes and how much things will cost.

- It's a really lovely event and very well run and thought through. Thank you to all the staff. There are no changes I would make. A suggestion would be if parents/carers are invited in to help make the hats beforehand during a lesson session. Alternatively, to go back to the classroom, if appropriate, to spend some time with our child in class. It would be a good way for parents to get to know the staff better and for the child to see the relationship between parents and teachers. I appreciate this may be difficult for some children and not necessarily appropriate for all classes.
- Easter bunny or chicken to help with the kids that don't mind someone wearing a costume
- Let parents know so they can attend
- Maybe more stalls? But was really nice
- Everything was lovely, the only thing I could suggest, maybe a little more time to purchase cakes and refreshments before the parade starts as i nearly missed my daughter coming out.
- Advise parents and carers to bring plenty of cash for the raffle and extras! Great way of making money for charity.
- Really enjoyed, was fun to watch and fun for the students
- Perhaps the music could be quieter and maybe the number of classes taking part could be separated out more throughout the day so that the number of parent/carers attending isn't too overwhelming for the children.

School feedback/actions

- We are currently looking into additional measures of communication so that all parents/carers are aware of upcoming events. At this moment we use text messaging, email, letters and post content on our website. You can now visit the 'What's on @ CPA' tab on our website to see upcoming events at Cambridge Park Academy. Please visit;
https://www.cambridgepark.co.uk/family_community_support_hub/whats_on_@_cpa/whats_on_@_cpa.html
- We will be looking at adding more stalls for next year's event. We are welcome to any suggestions of what we can add. There may be a possibility of inviting local support groups or collaborating with individual classes to create their own stall.

- Due to the possible impact on other children, unfortunately, we are unable to invite parents back to the classroom. We like to keep the classroom as a quiet space during the event, in case children need to return.
