Date: July 2022

Dear Parents/Carers,

Welcome to the NYES Catering Service

We are excited to introduce ourselves to you as your new catering provider as of September 2022, following the successful tender with the Humber Education Trust.

Our service has been operational for over 40 years, showing that we are not only a knowledgeable service, but that we are continuously evolving and changing with the up-to-date trends and requirements – whilst always continuing with our commitment to great quality and nutritionally balanced food.

We promote local, seasonal, and fresh ingredients and 75% of our meals are home cooked daily on-site. We have three main suppliers located within Yorkshire, and this allows us to reduce our carbon footprint, promote local businesses, and local suppliers. Our menus are fully compliant to the School Food Standards, and we are Bronze Award accredited by the Soil Association Food for Life, meaning that our menus only use free-range eggs, and sustainably caught fish.

As well as our brilliant three-weekly menu, we also hold promotional days and competitions throughout the year. We find that children and staff alike enjoy the excitement they bring, and that it gives them a chance to have even more fun with their food coupled with their dining experience.

We look forward to the commencement of our school meal service to your children, and their school. We hope that they love the meal choices, and that you are able to join us for a meal in the future too!

If you have any comments or suggestions regarding your new school meal service, or would like to talk through the process of any dietary requirements your child may have, please email facilitiesmanagement@northyorks.gov.uk

Yours sincerely,

Shaun Mancrief
Head of Facilities Management
