16th May 2024

Dear Parents/Carers

Elm, Hazel, Yew, and Oak Classes are going on a trip to our 6th form site to access our animal care provision. We will engage in both a theory and a practical session led by our animal care team.

The theory session will focus on the care of a particular small animal. We are very fortunate to have a small animal holding at 6th form so that pupils can learn hands on! Our practical session will include handling a small animal. Animals include; rabbits, guinea pigs, centipedes, bearded dragon, gecko, stick insects, rats and more!

This trip will take place during the school day on the following mornings;

4th June – Yew class

6th June – Oak class

11th June – Elm class

13th June – Hazel class

Thank you for your continued support

Mr Hunter, Mrs Hawkins, Miss Zwahlen, Miss Walker and the team.
