Dear Parent/Carer

We would love to invite you to our **Environmental Studies Open Afternoon on Wednesday 5th June at 1.00 pm at Cambridge Park Academy, Cambridge Road.**

All of our Key Stage 3 and 4 students have been learning about the Environment, Wildlife and the Planet on which we live. Each class has created their own garden on the school grounds- we even have a nature reserve!

Families together will be able to view the grounds, watch a cookery demonstration and play family games, which have been designed and made by our students. We will have stalls selling plants and things to put in your garden and of course a cake sale and afternoon tea for all to enjoy. We are asking for donations as we are hoping to raise money to continue to improve our outdoor environment.

We are so proud of the work our learners have produced and we would love to share this with you.

A text link will be sent to you via your mobile to enable you to book your tickets, we will look forward to seeing you at our fun filled afternoon!

Yours sincerely

Sam Hunter

Phase Leader and Teacher
