18th April 2024

Dear Parents/Carers

As part of our learning this academic term we have organised a visit to The Deep to support our Science and Geography topics. The trip will be for the full day on Thursday 2nd May and will be during school time, so transport will not be affected.

Please note pupils in receipt of school lunches will be provided from school, but feel free to provide additional drinks if you deem necessary. Pupils that bring in a pack lunch please provide this as normal.

We are asking that you send your child in suitable footwear for walking around The Deep and to wear their normal school uniform.

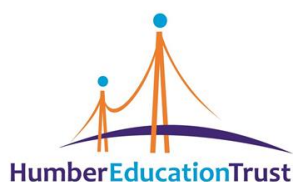

We will be participating in a workshop provided by The Deep called 'My Polar Home' to learn more about the arctic, the climate and who lives there! We will also be exploring the different sealife at The Deep and learning new things about these animals!

If you would like to make a contribution (up to £10) towards travel and cost of tickets for The Deep.

Please log on to your Parent Pay to give consent, and to confirm your child's medical requirements and contact numbers in an emergency, this permission will be needed before your child can go on this trip. If you need any support with Parent Pay, please call the school reception team who will be happy to help.

Yours faithfully

Miss Trott – Snowdrop Class Teacher
