Re: School Meal Price Increase

The current cost of school meals are £3.69 to the school, with the cost to parents being £2.20 for primary meals and £2.40 for secondary meals. The school does not receive any grants to support the cost of school meals and in the last year the school have subsidised school meals to a cost of £19,571.00

Due to a reduction in our own school funding we will unfortunately need to increase the prices for the school meals as follows:

- Primary school meals will increase to £2.40 per day
- Secondary and 6th Form meals will increase to £2.60 per day.

If you receive certain benefits your child/children may be entitled to free school meals. Please contact the school office and a member of the team will support you with your application.

Yours sincerely

Mr S. Kernan
