Wednesday 12<sup>th</sup> June 2024

Dear Parents/Carers,

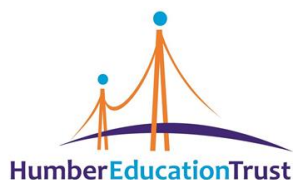

This half term in science, we continue our learning about animals with a focus on habitats. We will have a particular focus on rainforest animals which will also link to the theme for our writing in English. To support our learning in these units, we will enjoy a trip to Woodside Wildlife Park on **Monday 24<sup>th</sup> June 2024**. Here we will enjoy learning more about the rainforest habitat as the park hosts a variety of animals native to the rainforest. Additionally, the wildlife park does a lot of conservation work which will support our non-fiction and persuasive writing in English.

This trip will take part during the school day, we will leave the academy at 9.15am and return at 2.45pm. Pupils can take their own pack lunch, if your child usually has a school lunch, school can provide a pack up for the trip.

Pupils can come to school in suitable footwear (e.g. trainers) and jogging bottoms or leggings for the trip.

Thank you for your continued support,

Mrs Hawkins, Mr Hunter, Miss Zwahlen and Miss Walker
