

School Council Meeting (6/5/2023)

Present ;

Nicholai, Annabelle, Kaley, Alissa, Lola, Zac, Quinton, Tristan, Alex,
Taylor, Alex

Mr Kernan

Miss Klug

ISSUES FOR DISCUSSION

Outside areas

Mr Kernan assured the council that money has been allocated and the work will be done hopefully in the long summer holidays. He said that he will be asking students for some suggestions as to what would be the best and what they would like to have.

Goal nets/posts

Alex asked if it would be possible for school to get some more nets as the current ones are in need of repair/replacement and everyone likes to play football at lunchtimes. Mr Kernan will look into it and get things done.

School sponsor.

Work experience

Blind to help with the strong sunlight in the dining hall.

Autism Awareness Day in school for parents.

More trips out of school.

School dog

Swimming for all students more than they have now.

School Rewards System

Mr Kernan introduced the council to the new intended rewards system that will be starting in September. He explained how it will work, how and what they will be rewarded for, and he showed them the coin boxes along with the tokens. The councillors were very happy with what they had been told and Mr Kernan asked that when they go back to their classes they explain the rewards system to them.
