

20/7/22

Councillors present

James, Archie, Harley, Josh, Ellie, Stefan, Jack, Alfie, Joe, Kerry, Alexis, Lola, Jayden

Miss Klug.

Welcome and introductions

Short discussion and explained duties and responsibilities of being a school councillor and how important to gather the opinions and questions of their class mates and bring them to the meetings for us to talk about.

I asked for some suggestions for dinnertime and possibly after school clubs and there were many.

Football/ cricket/tennis/basketball/badminton/gaming

Choir/drama/dance/performing arts/art/cooking/bingo/film

Gym/trampoline/cheer leading/lego

Most councillors had brought a list of requests from their classes and again there were many and included,

Could we have a swimming pool

Better school dinners

More school trips

Longer play time/breaks

Better playground equipment

Finish school day earlier

More rebound time

More PE lessons

Use of the gym increased

Reward scheme in school for good work and behaviour

School animal (dog, cat, hamster or rabbit)

More crafting activities

Bigger bikes for secondary students

I briefly explained that there will be a fund raising day on 10th October in the new school year, it is called "Hello Yellow" and it is to raise money for the mental health charity of the same name. I would hope that the council could get involved and help to raise some money as a school.

I thanked them all for their contributions and told them that all the requests/suggestions will be shared with Mr Kernan, and in in September we will meet again to discuss the response.
