12th March 2025

Dear Parents/Carers

We would like to update you on two events that are up and coming;

Red Nose Day 2025 is just around the corner and we have decided to organise an event in school to celebrate this worthwhile cause.

On Friday 21st March we're going to be holding a non-uniform day.

This year's Red Nose Day, is around celebrating 40 years of going big, giving big and feeling good together, therefore all classes will celebrate with a class party.

We are also celebrating on the same day **World Down Syndromes Day**, on Friday 21st March, this is a global awareness day which has been officially observed by the United Nations since 2012, in recognition of this day, we would like all pupils to wear Odd Socks.

We understand that, due to high inflation rates, finances might be tight, therefore we won't be making a donation compulsory. We would rather students join in with the spirit of Red Nose Day, and what this important charity stands for. However, if you feel you would like to donate please log on to your Parent Pay to make a contribution. If you need any support with Parent Pay, please call the school reception team who will be happy to help.

The money we raise will be used to change countless lives, both here and in the UK and Worldwide.

We will be celebrating **Cerebral Palsy Day** on Tuesday 25th March, founded to bring attention to the lives of people with cerebral palsy, and the lack of scientific research on the condition, despite CP being the most common motor disability in children. We are asking pupils to wear something green.

Lastly on Wednesday 2nd April it is **World Autism Day**, is an opportunity for everyone to come together and raise awareness. We are asking for pupils to wear something blue.

We really appreciate your support and hope that our students have fun.

Yours sincerely

Mr Steve Kernan
Principal
