

Cambridge Park Academy

Character - Preparation - Achievement

23rd February 2026

Dear Parents/Carers,

We are delighted to inform you that our school will be taking part in National Careers Week.

National Careers Week is a one-week nationwide celebration of careers guidance and education. It provides an opportunity for young people to explore different jobs and begin thinking about their futures in a positive and supportive way.

During the week, we will focus on celebrating pupils' strengths, interests and aspirations while introducing them to a variety of careers in an accessible and engaging way, including a range of class activities and visits from our very own CPA Alumni students to talk about Post 16 life.

To make the week engaging and memorable, we are inviting pupils to take part in a special "Dress as Your Future Career" day on Friday, 6th March. On this day, pupils are encouraged to come to school dressed as the job or role when they are older. This could be something they already talk about at home, something they enjoy or simply something that interests them. This is optional.

Costumes do not need to be detailed or expensive – simple ideas are perfect! Our main aim is to celebrate aspirations and interests.

If you would like to discuss anything further, please do not hesitate to contact me in school by telephone.

Yours faithfully,

Mrs M. Ceclich

Careers Lead
