

# Cambridge Park Academy

Character - Preparation - Achievement

30<sup>th</sup> April 2026

Dear Parents/Carers

We all know that prom season can be a magical time, but let's be honest – it can come with a hefty price tag! That's why we're delighted to invite you to our upcoming event:

## “Pop-Up Prom Shop – Free to Borrow, Fab to Wear!”

**Cambridge Park Academy (Main Site), Wednesday 13<sup>th</sup> May 2026, 1<sup>st</sup> Session 09.30 – 12:00, 2<sup>nd</sup> Session 15:00 – 16:00**

Thanks to the wonderful team at **Oasis Academy, Immingham**, we have a fantastic selection of donated **prom dresses, suits, shoes and accessories** ready for students to borrow – **for free!** Without their generosity, this event simply wouldn't be possible.

**How does it work?** During the event, Parents/Carers are welcome to pop in with their child, browse the selection and try on multiple outfits. Once you find *the one*, it's yours to take home and get prom-ready for June! We just ask that all items are returned after use so future students can enjoy the same opportunity.

**Need a fitting during school hours? No problem!** If you'd like to come along but can't make it outside school hours, we'll happily fetch your child from class so they can join you for a try-on session.

### What's in store?

- A **variety of sizes** (let us know a rough size in advance so we can ensure there's something suitable for your child)
- A **red carpet & balloon arch** for a mini “Say Yes to the dress/Suit” moment – perfect for snapping a few photos.
- The possibility of **free alterations**, as we're working with a local sewing group who may be able to help with adjustments.

So, let's say “**Yes to the Dress/Suit**”, and get your child prom-ready without the stress! If you'd like to attend, please let us know so we can have the right sizes available. We look forward to helping your child dress to impress – without the expense!

Please complete the form below to register your interest and to let us know sizes. Alternatively, please call us on 01472 230110 or scan the QR code.
